Sub : Calling / sailing priority for container vessels and recovery of traffic related port charges on containers

The Kolkata Port Trust Board in its meeting held on 29th Nov 2010 has approved of the following :-

i] The threshold limit of containers for calling / sailing priority may be revised from the existing 100 TEUs per call to 200 boxes per call w-e-f 10th December 2010 and the matter may be reviewed after February 2011 .

However, container vessels with less than 200 boxes but above 100 boxes may have calling / sailing priority at par with that of iron ore ships and other cargo vessels will not enjoy priority over these container vessels after waiting for more than 48 hrs or 24 hrs (for edible / vegetable oil) as otherwise enjoyed under the prevailing guidelines .

ii] All container related port charges, both at KDS and HDC, will be paid by the container Agents / MLOs w-e-f 10th December 2010 . In case of removal of containers to CFS / ICD, CFS/ ICD operators will have the option to make the payment .

The entire scheme under item (I) and (ii) above will be effective from 10th Dec 2010 .
