Tfc/CTO/Procedure

Container Terminal Office,
Dated 22nd February 2008

All Concerned

Sub: Entry of export containers through 7 NSD Gate.

Keeping in mind the requirement of the shippers of fulfilling their export targets in the month of March 2008, it has been decided that both the flanks of **7 NSD** gate will be made operational round the clock from **25th February'08** and will continue till **6th April'08**. This will facilitate entry of two trucks/trailers simultaneously.

The Shippers/C&F Agents are requested to position their trucks/trailers accordingly outside the gate and keep their documents ready to facilitate faster entry of export containers. They are also requested not to position trucks/trailers in front of the gate if the documents for the containers carried by those trailers are not ready. We will be compelled to take action if such trucks/trailers are found blocking the gate and obstructing entry.

All concerned are requested to take note of the above for their guidance and necessary action.
