

**TARIFF RATES IN CENTENARY HOSPITAL (B.O.T. RESO NO. 23, DT 18-02-11)**

**A. GENERAL INFORMATIONS**

**1. Registration**

The patients will have to register their name at the Front Desk for treatment for OPD consultation and/or indoor treatment.

**2. Consultation Fees at Out Patient Department (OPD)**

For OPD treatment, Consultation Fees have to be paid at the time of registration for each consultation

- a) Consultation Fees for KoPT in house doctors for each visit - Rs.60/-
- b) Consultation Fees for CMO, CS, CP, MS and Visiting Consultants for each visit - Rs.100/-

**3. Deposit for Indoor treatment.**

- a) Ward - Rs.3000
- b) Cabin & ICU - Rs.5000

The patient party will have to pay the deposit amount as advance at the time of admission & will have to replenish the same as and when the cost of treatment exceeds 50% of the amount initially deposited as advance. The amount of advance will be adjusted against the bills raised for indoor treatment. The patient/patient party has to clear all dues of the hospital before the patient is finally discharged from the hospital.

**4. Mode of Payment**

All payment shall be made by cash / cheque only at the designated Cash Counter at the Front Desk of the hospital against receipt. The decision to accept cash or cheque will be as per the directive of the KoPT authority issued from time to time.

**5. Allotment of Cabin.**

Normally, cabins shall not be available for allotment to the non-KoPT patients. Only in exceptional circumstances, Cabins may be allotted, subject to availability, and with the prior approval of the CMO.

**6. Rate of Charges**

The rate of charges will be applicable as per the rate lists below. The rate of charges mentioned are in Indian rupees.

Bed charge will be inclusive of Linen, standard meal/food provided by the hospital, minor bedside procedures & minor dressing materials.

The hospital shall not ordinarily supply any medicines, consumables, implants etc. to non-KoPT patients. In all such cases, medicines & allied items, as prescribed by the Doctors, shall have to be supplied by the Patient / Patient's party. If due to any unavoidable circumstances / emergency or otherwise the Centenary Hospital supplies the medicine, the actual cost with an overhead charge of 10% will have to be paid by the patient / party.

## **7. Admissions**

Emergency patients will be admitted depending on the merit of the case & facilities available in the hospital with prior permission of the hospital authority

For medical facilities not available in the hospital, on being advised by the treating doctor(s) & if considered necessary, patient may have to be shifted to other medical institutions for better management of the patient. The patient/party will have to arrange for the transfer of the patient.

## **9. Ambulance Service**

Ambulance Service will not normally be provided as a routine. However if available ambulance may be provided within the municipal limits of Kolkata subject to permission of hospital authority and on payment of charges as per the scheduled rate of charges mentioned below.

## **10. Fees of visiting consultants**

The Regular & on Call Visiting Consultants will be paid 75% of the Surgeon's Fees / Anesthetist's Fees / consultation fees & 20% of the investigation charges if the procedure is performed / reported by the Visiting Consultants subject to the following -

The On Call Visiting Consultants will be paid charges when called upon to operate on paying patients as well as KoPT entitled patients at the same rate.

## **CORRIGENDUM :**

### ***Sub : Supply of medicines & other allied items to the paying patients.***

As directed by Dy. Chairman, the medicines & all other allied items required for treatment of paying patients are being supplied from the hospital, if available. The treating Doctors should ask the patient-party to procure all those items, which are not available in the hospital, from outside agencies. In the event, there is any difficulty in implementing the order through the computerized system, the concerned Section should intimate Medical Superintendent accordingly.
