No.Tfc/CTO/ICD

Dated, the 29th July, 2010

All Concerned

**Subject : Providing VCN nos. of vessels on
applications for rail-borne containers.**

It has been observed that C & F Agents are either providing wrong voyage number of vessel or not providing the same at all while submitting **advance application for rail-borne import containers**. This is causing problem in tracking the right vessel for planning yard operation. In order to overcome the problem it has been decided that henceforth advance application for the same will be accepted at this office only if the **VCN number of the vessel** is mentioned on the application.

All concerned are requested to take note of the above for their necessary action.
