Sub: Entry of export load containers on Stock account

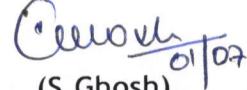

In accordance with the request of the Shipping lines, the appropriate authority of HDC, SMPK has approved the entry of export load containers on stock account.

For entering such container, the shipping lines are advised to send their requisition through email in advance to the officials of TO (Sh&CH), Division posted at dock office, mentioning the no. of containers and the name of the vessels where the said containers will be connected subsequently. The entry of the stock containers to be allowed on the basis of sufficient balance in the PCAN and will be stacked block-wise in the export yard.

At the time of connecting the stock containers to a particular vessel, the shipping lines must file the COPRAR and the CHA should file all relevant documents through the online POMS services as per the prevalent practice.

In case of shut out of any such containers, if any additional services is required for restacking the containers in the yard, additional charges as per the SoR will be leviable. The above arrangement will be effective from 01.07.2022 and will remain in-force till further advice.

All concerned are requested to be guided accordingly.
