### TRADE CIRCULAR

#### **Sub: Sleeping of personnel at open and operational areas inside the Dock.**

Recently, two unfortunate fatal accidents took place inside the Dock wherein the deceased persons, who were sleeping at an open and operational area, were run over. At Haldia Dock Complex, operations are undertaken on round the clock basis across the dock area and sleeping at the operational areas like roads, plots, railway sidings, etc. as well as their adjacent and adjoining areas is to be strictly avoided.

In view of the above, it is informed that sleeping at open and / or operational areas like roads, plots, berths, railway sidings, etc. as well as at their adjacent, adjoining and back up areas is strictly prohibited. The RFID registration of any personnel found doing so would be cancelled and they will be debarred from entering the port henceforth. All firms are requested to strictly advise their personnel as well personnel for whom they are sponsoring the RFID Permits of the same.

The above is for information and necessary action of all concerned.
