Trade Circular

Vehicles are often observed to be waiting in queue in front of the Dock entry gates of HDC without valid permits (RFID permit cards for both vehicle and driver/helper) thereby contributing to unwarranted traffic congestion in front of the gate. This congestion often extends to impact and impede traffic circulation across public roads which is highly unsafe.

In view of the above, to stop such unnecessary congestion in the vicinity of Port gates and on public roads, it is hereby advised to all stakeholders (importer, exporter, transporter etc.) to strictly abide by the following practice henceforth:

1. Vehicles should be placed in queue only after generation of valid RFID permits (both vehicle, driver/khalasi).
2. In case a vehicle is found without RFID Permit, in terms of directive of Competent Authority of Haldia Dock Complex, permit of such defaulting vehicle's will be blocked.

All Port Stakeholders are requested to take note of the above directive and act accordingly.

Asst. Manager (Sh&CH)
