Trade Circular

**Sub: Option to move part containers to CFS and availing delivery of balance containers under DPD facility for each Bill of Lading/ Delivery Order.**

In view of absence of container scanners at Haldia Dock Complex (HDC) under SMPK, there has been a representation from EXIM Trade for allowing removal of part containers to CFSs for customs examination and allowing delivery of balance containers under DPD facility under each Bill of Lading/Delivery Order.

This requirement of the Trade has been favourably considered by the Appropriate Authority of SMPK and the computer system has been suitably modified to allow such movements with immediate effect at HDC.

All concerned are requested to take note of this for their appropriate action.
