Profile of Shri Mansukh Mandaviya

Shri Mansukh Mandaviya is the Minister of State (Independent Charge) for Ministry of Shipping and Minister of State for Chemicals & Fertilizers in Government of India. Shri Mandaviya was born in a small village named Hanol in Palitana district of Gujarat in a middle-class farmer family. He holds a Post Graduate degree in Political Science from Bhavnagar University.

Shri Mandaviya was very active in politics and serving people since his youth. He became a member of ABVP and soon he was elevated to the position of State Executive Committee Member of ABVP, Gujarat unit. His intellect, skills and the zeal to work hard was noticed and he was appointed as a leader of Yuva Morcha and then the president of Palitana BJP unit. He also holds a record of being the youngest MLA in Gujarat.

Working hard to serve the people and uplifting them was his only goal and thus he organized two Padyatras of 123 Km and 127 Km for the cause of Girl Education, Beti Bachao, Beti Padhao and Vayasan Hatao. At a young age of 38, he was elected as a member of Rajya Sabha. He was also a part of various Standing Committees in various fields.

With his hard work and intelligence, he was appointed as Secretary for State Unit BJP in 2013 and General Secretary in 2014. Later in 2014, he was appointed as Gujarat State In-charge of BJP's High-tech & Mega Membership Drive Campaign which led to 1 crore people joining BJP in Gujarat.

Shri Mandaviya is well known for his intellectual analysis and thought leadership, which he also exhibited in his speech on "2030 Agenda for Sustainable Development" at the United Nations. He travelled extensively abroad to explore policies and management of a number of foreign countries to help India grow at the fastest pace.

On 5th July 2016, he was sworn in as a Minister of State for Road Transport & Highways, Shipping and Chemical & Fertilizers under the Government of India. Serving as a Minister, he implemented a lot of plans and thoughts to get work done quickly and efficiently.

He was re-elected for the Second Term for Member of Parliament, Rajya Sabha during March, 2018.

With his decisive and bold leadership, he has helped increasing the per day road construction speed, decreasing the cost of Urea and other fertilizers, establishing more than 4000 Jan Aushadhi stores to provide more than 800 medicines at affordable rates and reducing the cost of heart stent and knee implants. In addition, he left no stones unturned to help the common man, farmers and business.

Shri Mandaviya has been part of various delegations, twice with the President and once with Vice President to sign MOUs and develop bilateral relations with other Nations. In the Asian Continent he visited China, Israel, Oman, Nepal, Dubai and Uzbekistan. He also visited European countries like England and Germany, Hungary; South American countries like Brazil and Argentina. He also visited countries in Africa like Kenya, Uganda, Tanzania, Rwanda, Algeria, Equatorial Guinea, Swaziland and Zambia. In the Oceania region Shri Mandaviya visited Australia, New Zealand, Tonga and Fiji.

He has played a vital role in the growth and development of New India with his hard work, organizational skills and intellect.

Again in 2019, he was sworn in as a Minister of State (Independent Charge) for Ministry of Shipping and Minister of State for Chemicals & Fertilizers under Government of India.
