Dated 29th September 2007.

All Concerned

Sub: Entry of export containers a/c 'Stock'.

In view of availability of additional sailings from Kolkata Dock System(KDS) and also to streamline vessel's operation, it has been decided that **with effect from 1st October 2007** export containers will be allowed entry only against vessel and as per carting orders issued by Container Agents. **Hence no containers will be allowed to enter a/c 'stock' from the above date.** Multiple carting orders against a particular consignment will be accepted if the Container Agents issue the same to facilitate part entry of a big consignment.

All concerned are requested to take note of the above for information and guidance. The matter will be reviewed as and when required.
