Dated :04.05.2020

### TRADE CIRCULAR

Sub: Policy for delivery/shifting of DPD containers during the Lock-Down due to COVID-19 pandemic outbreak.

Ref:- This office circular no. Tfc/GZZY-241/Circular/DPD dated:19.04.2020

In continuation to the above referred circular in order to further mitigate the increasing congestion, Port has decided to implement following more measures with immediate effect.

**DPD delivery period:-** Due to unprecedented increase in import container pendency inside the dock it has been decided to decrease the DPD delivery time from 7 days to 4 days during the lock down period. Hence all DPD containers which have completed 4 days after landing will be allowed to be shifted to CFS as per the nomination by the Importer/Shipping Line. However, containers bound for Bharatiya Reserve Bank, Indian Port and all ICDs shall be exempted from this. They will be allowed to take delivery from the Dock itself. Regarding Nepal containers separate circular is being issued.

Other points mentioned in the above referred circular will remain same.
