

ALL TIME RECORD CONTAINER TRAFFIC HANDLED BY KOLKATA DOCK SYSTEM

Kolkata Dock System (KDS) of Kolkata Port Trust achieved a momentous landmark in container handling by recording an all time high monthly handling of **51084** TEUs during December 2014. This surpassed the previous highest monthly handling of 50092 TEUs achieved in September 2014. Kolkata Port Authority gratefully acknowledges encouragement and support of the Shipping Lines and its customers, without which it would not have been possible to move ahead to scale new heights.

Kolkata Port was adjudged the winner of 'Container Handling Port of the Year' at the Shipping Times-Eastern Star Awards held at Kolkata on 7th January 2015 in recognition of its excellence in container handling. Incidentally, in the 5th South East Cargo & Logistics Awards 2013 also Kolkata Port was adjudged Container Handling Port of the Year.

M/s Bharat Kolkata Container Terminals Private Ltd., a wholly owned unit of PSA International has commenced container handling operation at KDS from December 2014.
