No. Tfc/GZZY 241/POMS

dated, 14th December 2016.

All Concerned

Sub: Generation of Web based EGP for import & export Containers.

The facility of generation of Web based Entry Gate Pass (**EGP**) which was so long available for CFS & ICD operators has now been extended with immediate effect to all users intending to take delivery of import container and tender export containers from/to the Container Terminal of Kolkata Dock System. This facility will be available for all the users registered with PCS/POMS.

The users who are not registered with PCS/ POMS may register themselves by taking the following action. An e-mail having the following details will have to be submitted to nic@kolkataporttrust.gov.in with a copy a nksarkar@kolkataprottrust.gov.in requesting for registration.

1. Name of the Agent/Company

2. Registered e-mail id.

On verification of the credential an user id/pass word will be generated for the said Agency/ Company and will be communicated by e-mail. The user guide in down loadable PDF file is available on our web site www.kolkataporttrust.gov.in and for approaching the same the following steps are to be followed.

► Click Kolkata Dock System – click on **'On Line info/services'** → POMS on line services.

The detail procedure is available at the end of the left hand side menu bar under the heading "Download WebEGP User Mannual"
