CIRCULAR

Sub: Increase in limit of Export Empty boxes

As per the decision of the competent authority the maximum permissible limit of the empty export boxes for the vessels working at 3NSD, 4NSD, 5NSD, 7NSD and 8NSD is fixed to **150 (One hundred & fifty)** per vessel with effect from 30th November 2017. The concerned feeder operators of the vessels may apply two days in advance to the Traffic Manager/ Deputy Traffic Manager (CT) for the permission to allow the entry of export empty containers for their respective vessel from the date of commencement of the vessels work.
