2. Sri S.K.Das, Supdt. Engineer(Electrical)-I
3. Sri A.Sanyal, Exe. Engineer(Electrical)
4. Sri N. C.Behera, Exe. Engineer,

Representative of Kolkata Police Officials

1. Sri. P.Mukherjee, Officer-in-Charge, NPPS
2. Sri T.Banerjee, SI, NPPS

Representative of Prospective Bidders

1. Sri Deepak Jeet Singh- M/s Sonal Enterprises Pvt. Ltd.
2. Sri Bijoyendra Kar- M/s Chandrani Compliments & Exports Ltd.

The site of Howrah Bridge were shown to the prospective bidders. The tentative location of the camera and the areas to be covered were also explained to them in details in presence of officials of North Port Police Station. The location of NVR and the main control room is to be inside the North Port Police Station and the proposed control room has been identified by OIC of NPPS .

The prospective bidders stated that they require the control room to be Air Conditioned for housing the server/NVR. In response, OIC of NPPS stated that he will modify the room and will install AC machine required for housing the NVR.

The bidders were also informed by officials of KoPT that a parallel feed of the CCTV footages of Rabindra Setu is also to be given to the office of Superintending Engineer, Rabindra Setu.

All other terms and conditions of the tender remains unaltered. This minute forms a part of the NIT.

CHIEF MECHANICAL ENGINEER
