

Sl. No.	Page No. & Clause No.	Bidder Query	REMARKS
Dredge-pro Solutions (India) Pvt Ltd., Bengaluru 560041			
1	Page 03, SOT (J)	Bidder requests the last date of submission to be postponed and extended by two weeks to 20.1.2016 due to holidays and holiday season.	Not acceptable.
2	Page 24, 8.0	Please clarify if the Security deposit is 10% of the entire contract amount or 10% of the annual contract amount to be renewed annually since the contract is for a period of 5 years.	Please refer to clause no. 8.0 with 33.0. The SD will be 10% of the evaluated cost for one year and the instrument shall be valid for the entire contract period of 5 years including claim period as mentioned in the tender.
3	Page 24, 8.4	The bidder requests to increase the Security Deposit submission days to 45 days, as KoPT also requires incorporated SPV for JV/Consortium. Such incorporation of SPV under the companies Act as described in the document will take time.	The SD may be submitted by JV till formation of SPV
4	Page 25, 9.0	Please clarify if the Port shall levy, port charges, berthing charges, pilotage charges and other port dues on the craft which will be deployed. Please provide details of all such costs. The bidder requests that all the charges be free of cost until the dredger is working of the port for an entire period of contract.	Please refer to clause no.16.0.
5	Page 26, 10.6	The bidder requests Mobilization period to be increased to 90 days on placement of work order. The request is being made as the dredger needs to be modified and refurbished to suit the particular, confirmed dredging, jetting and cleaning requirement at the lock gates, approaches, caissons etc.	Not acceptable.
6	Page 36, 19.0	1. The bidder requests that 1.5 days per month be allowed for layup and taking up planned preventive maintenance works on the dredger. 2. Please clarify if the 350 operational days are excluding the lay off period of 15 days. 3. Please allow the 15 days of lay off to be carried forward at least for a period of two, because as per class requirements, the vessel needs to be drydocked twice within a period of five years.	Not acceptable
7	GENERAL	It is observed that there is no clearly mentioned limit of liability in the bid document.  1. The bidder requests that Limit of liability to be limited maximum to 10% of the annual cost of the project.  2. Limit of liability in case of damage to Employers asset and personnel may please be defined.	Suitable insurance to be taken as per cl. 25.
8	GENERAL	KoPT to reimburse costs of any new taxes introduced by the Government, local authorities after the submission of bids.	Already clarified in clause no.9.0.
