Subject:

Tender No. SDM(P&E)T/18/2017-2018 (e- Tender No.: KoPT/Haldia Dock Complex/P&E Div/13/17-18/ET/255) for hiring of one Diesel Electric/ Diesel Hydraulic Locomotive of 1350 HP/ 1400 HP or above on wet lease basis for a period of 24 months for Haldia Dock Complex, Kolkata Port Trust.

.....

Sl. No.	Reference & requirement as per Bidding Document	Queries/ suggestions/ observations/ requests	Clarifications / Comments of HDC, KoPT
1.	Reference Sl. No. 1) under Clause No. 1.1.1 of "Notice Inviting e-Tender" (Page 2 of the Tender Document). Diesel Electric/ Diesel Hydraulic Locomotive, Turbo charge, DC-DC/ AC-AC/AC-DC Transmission or equivalent should be owned/ Leased by the firm.	➤ The specification of "Loco are Diesel Electric/ Diesel Hydraulic Locomotive, Turbo charge, DC-DC/ AC-AC/AC-DC Transmission or equivalent should be owned/ Leased by the firm". From the specification as stipulated in the Tender, it appears that Haldia Dock Complex is ready to accept the loco having Diesel Hydraulic transmission also. It is brought to your notice that Diesel Hydraulic Loco 1350 HP/ 1400 HP is not a proven for full rake movement as per our experience. Moreover, Diesel Electric Loco is far superior as compared to Diesel Hydraulic Loco with respect to performance. Diesel Hydraulic Loco is mostly suitable for lower horse power.	No change envisaged
2.	Reference Sl. No. 3) under Clause No. 1.1.1 of "Notice Inviting e-Tender" (Page 2 of the Tender Document). The firm should have minimum two years experience in the field of Locomotive hiring to any	➤ In the Qualifying criteria requirement- The Similar work mentioned in the page no. 1.1.11) of the referred tender document, the stipulation of requisite horse power of locomotive of 1350/ 1400 in work completion experience is missing. It was needed to stipulate the experience for loco leasing for similar diesel electric/ diesel hydraulic locomotive of at least 1350 HP/ 1400 HP.	No change envisaged

	large thermal Power Utilities, Public Sector, Govt. Sector, or any large/ reputed industries.	<p>In this regards you may kindly refer to your E-TENDER NO. KoPT/Haldia Dock Complex/P&E DIV/5/17-18/ET/59 for erection and commission of 6 MVA, 33 KV/ 3.3 KV transmission, where in your office has categorically laid down that the similar work shall count the experience of design/ manufacture/ supply, delivery, testing & commissioning of 6 MVA capacity transformer, at least up to 33 KV level.</p> <p>It is also generally imperative that, in Similar work stipulation, the type and capacity should be similar to the tendered requirement. For example in case of hiring a 52 seater passenger bus on lease basis, the similar work leasing experience of light motor vehicle can not be considered as comparable.</p>
