CIRCULAR

Sub: Deployment of Private Equipment along with KoPT Equipment
at K.P. Dock-I (West Side)

It has been decided with the approval of the competent authority that KoPT's Mobile equipment will normally work at K.P.Dock-I West Side as per requisition of the Traffic Department for vessel and related work. In case of failure to supply KoPT's mobile equipment as per Traffic demand for any reason, private equipment may be allowed to work to meet the shortfall of KoPT's equipment. Once KoPT's equipment are available for Traffic work, the same should be engaged immediately by withdrawing the private equipment.

This arrangement will take immediate effect and would be reviewed from time to time.

Traffic Manager
