CIRCULAR

Earlier documentary readiness of tanker vessels was considered on the basis of payment of port charges and submission of the following documents – (a) confirmation of availability of adequate ullage, (b) Pumping Guarantee filed with Customs and (c) Discharge Order issued by the Master of the vessel.

However, in pursuance to the Public Notice No.117/2018 dated 03.12.2018 issued by the Commissioner of Customs (Port), it has been decided by the competent authority of Haldia Dock Complex that a written confirmation is also required to be submitted by the importer/ tank owner/ CHA to the effect that they have complied with all the Customs formalities for discharging the cargo from the subject vessel. The said confirmation will be treated as a part of Documentary readiness of vessels carrying liquid bulk cargo. On receipt of the said confirmation along with the above existing documents, the readiness time of the vessel will only be considered.

This circular is issued to restrict idling of liquid bulk vessels after berthing and the same will be effective with immediate effect.
