CIRCULAR

During recent inspection by Dy. Director, IDS it was observed that the reverse horn of Dumpers & Pay Loaders deployed by a shore handling agent were not working.

Accordingly, in terms of the directive of the appropriate authority of T.O. (Sh&CH) Division it is intimated and advised to all the concerned Transport Equipment owners that the use of reverse horn is **Mandatory** for all Dumpers and Pay Loaders during cargo handling in the Dock area. All concerned are advised to ensure provision, functioning and use of reverse horn mandatorily.

The above is for information, necessary action of all concerned for strict compliance.
