OFFICE ORDER NO. 75

9th Dec 2020.

The General OPDs and Special OPDs at Centenary Hospital have now resumed. However, it is suggested that rush in the OPD should be restricted and social distancing is to be maintained.

Hence, all the beneficiaries are advised to call the Front Desk and take prior appointment for OPD consultation. It is decided that not more than 25 patients would given appointment for the Male and Female OPD each day. For Eye Clinic and Dental Clinic, the number of patients should be restricted to 20 patients. These restrictions would continue till the COVID situation improves further.

However, emergency patients as usual will be treated at all times in the Emergency Clinic which is open at all times.
