File is requisitioned from the Department. It is seen from records that an order was passed by the Forum on 08.02.2021, asking for clarification on certain issues. However such order of the Forum could not be complied with even after elapse of more than one year. I think SMPK is not interested in representing the Proceedings which was filed some 23 years ago. In such circumstances, let the matter be dropped. All concerned are directed to act accordingly.
