Page no. and clause	Queries	Clarification
Annexure C, P-11, Sl. No. 6	Digital Display: - Is the Laptop meant to be a part of the supply? If yes, please let us know the desired configuration.	Digital Display: If the echosounder does not have a built-in digital display displaying every centimetre of depth, then laptop interface is needed. Laptop should have standard configuration for carrying out real-time hydrographic data acquisition by standard software.
Annexure C, P-11, Sl. No. 10, 15(2)	Hull mount transducer 1. No dimensions are given of the existing cut out for the transducer well. Also, no specifications other than frequency are provided for this transducer. 2. SMP, Kolkata will be responsible for any modification in Hull, design for transducer installation, hot works, power, IRS approval, stability test of vessel. The party will only supply the system, installation & commissioning for transducer as per design provided by SMPK.	Hull mount transducer 1. The bidder is requested to have inspection, if necessary, to take down the detailed requirement. Same can be arranged with intimation to contact personnel. 2. There is an old echosounder transducer existing in MV Sarojini, fitted in her hull. Same is to be replaced with the new transducer. Necessary modification, as needed, is to be done by the bidder at their cost and they are requested to quote accordingly.

P-11, Sl. No. 11	Demonstration of the Echosounder Please confirm that the Demonstration will be required only from the successful L1 bidder	Initially L1 bidder will be asked to demonstrate. If they fail to do so or their demonstration is not successful, L2 bidder will be asked and so on.
P-12, Sl. No. 22	Certificate conforming to supply and availability of spares, PCB, accessories etc for maintenance: Is Certificate from bidder sufficient?	Yes
P-22, Annexure -E, Note - 5	The actual rate is to be entered in BOQ in excel format published in the NIT. There is no BOQ provided as an excel sheet in the e-procurement site. Please provide	It is already available in the e-procurement site. The bidder has to register at the site as per page 5 of NIT and pay requisite fees to be able to view prior to submission of bid.
Page-15, Annexure-D, Clause-10	Time of Completion: Request 60 days as time of completion.	Time of completion remain within 30 days as is given in NIT.
